I 08M53 KAZ 800 I

Maintenance

Mainstand

- for more secure parking on variable ground surfaces
- facilitates cleaning and rear wheel maintenance

I 08M50 MER 800 I

While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or, in some isolated cases, the provision of a particular feature. Customers are always advised to discuss specification details with the supplying dealer especially if the selection is dependent upon one of the features advertised.
